Statement

Total population, population by religion and their proportion to total population as per 1951 Census

Total Population	Hindus	Muslims	Christians	Sikhs	Buddhists	Jain	Other religions & Persuasions & Religion not stated
1	2	3	4	5	6	7	8
356,879,394	303,186,986	35,400,117(9.93)	8,157,765	6,219,134	180,767(0.50)	1,618,406(0.45)	1,847,617(0.52)
(100.00)	(85.02)		(2.29)	(1.74)			

NOTE:

1. There is a difference of 268,602 persons between the classified population of India by Religions and the total given in column 1 of this table. The difference is limited to the figures of Punjab and has arisen because the enumeration records relating to these persons were destroyed by fire which broke out in the Census Tabulation Office at Jullundar.

2. The proportions have been worked out by excluding 268,602 persons for which classification of different religions in not available.
